

# Railroad Hand Signals

Lantern, Flag, or Empty Handed

	 <p><b>GO!</b> Raise straight up and down.</p>
 <p><b>GO BACK!</b> Swing up and down in a circle at half an arm's length across the track, when the train is moving.</p>	 <p><b>SLOW DOWN!</b> Hold at arm's length when the train is moving.</p>
 <p><b>TRAIN HAS PARTED!</b> This tells the trainmen that cars have come loose. Swing up and down in a circle at full arm's length when the train is running.</p>	 <p><b>DO NOT GO! APPLY BRAKES!</b> Swing straight above your head when the train is standing.</p>
 <p><b>GO! RELEASE BRAKES!</b> Hold at arm's length above your head when the train is standing.</p>	 <p><b>STOP!</b> Swing lantern across tracks.</p>
